

Safety Data Sheet

Safety Data Sheet

Medara Skin Care Wipes

Product Code: 151007

1. Identification of the substance or mixture and of the supplier

Product name	Medara Skin Care Wipes
Recommended use	Skin cleansing wipe for hands and face
Supplier	Wattle Imports Pty Ltd
Address	Unit 21 / 2B Mavis Street, Revesby NSW 2212
Telephone	02 8582 8339
Email	sales@wattleimports.com

2. Hazard identification

Classification (WHS Regulations / GHS 7)	Not classified as hazardous
Signal word	None
Pictograms	None required
Other hazards	No known hazards expected during normal use

3. Composition and information on ingredients

Description	Non woven cloth impregnated with aqueous cleansing solution
Hazardous ingredients	None present above GHS cut off levels
Other ingredients	Humectant, solubiliser, emollient, mild surfactant, preservative system

4. First aid measures

Eye contact	Rinse gently with water. Seek medical
-------------	---------------------------------------

	advice if irritation persists.
Skin contact	Not expected to irritate skin.
Inhalation	No adverse effects expected from normal use.
Ingestion	Rinse mouth. No significant risk expected.
Advice to doctor	Treat symptomatically.

5. Fire fighting measures

Suitable extinguishing media	Water spray, foam, dry chemical, CO ₂ .
Unsuitable media	Do not use water jet.
Hazards from combustion	Decomposition may produce carbon oxides.

6. Accidental release measures

Personal precautions	Avoid contact with eyes.
Environmental precautions	No special measures required.
Cleanup	Absorb free liquid and dispose according to local regulations.

7. Handling and storage

Handling	Use as directed. Avoid eye contact with solution.
Storage	Store in a cool, dry place away from direct heat.

8. Exposure controls and personal protection

Engineering controls	None required under normal conditions.
PPE	No personal protective equipment required.
Environmental exposure	Dispose according to normal waste procedures.

9. Physical and chemical properties

Appearance	White non woven cloth with clear solution
Odour	Neutral
pH	Approx. 5
Boiling point	<100°C
Flash point	Not flammable
Solubility	Solution fully miscible with water
Other information	Stable under normal conditions

10. Stability and reactivity

Reactivity	No hazardous reactions known.
Stability	Stable under normal storage conditions.
Conditions to avoid	None known.
Hazardous decomposition products	Carbon oxides under fire conditions.

11. Toxicological information

Acute toxicity	Not harmful. Estimated LD50 > 10,000 mg/kg.
Skin irritation	Not expected to irritate skin.
Eye irritation	Mild transient irritation possible.

12. Ecological information

Ecotoxicity	Not expected to be harmful to the environment.
Biodegradability	Ingredients expected to be readily biodegradable.
Mobility	Solution disperses readily in water.

13. Disposal considerations

General disposal	Dispose of wipes in general waste.
------------------	------------------------------------

Sewage disposal	Do not flush wipes.
-----------------	---------------------

14. Transport information

UN classification	Not regulated for transport
-------------------	-----------------------------

15. Regulatory information

WHS Regulation status	Not classified as hazardous under the Work Health and Safety Regulations.
SDS compliance	Prepared according to Safe Work Australia Code of Practice: Preparation of Safety Data Sheets.

16. Other information

Issue date	31 January 2024
Review date	31 January 2029
Note	Information correct to the best of knowledge but supplied without warranty.
